Announcement, 8th IWGTD

Dear Friends,

Last August 31st the final calendar of the 2012 Formula One season was released. The Grand Prix of Europe will be held at the Valencia Street Circuit from the 22nd to 24th of June, 2012. These dates are very close to the dates for the 8th IWGTD (18-21 June 2012). This will be a great opportunity for those of you interested in F1 races because the semi-permanent street circuit uses the roads skirting around the city's harbour and America's Cup port area. But, at the same time, this means that hotel reservations in Valencia for the week from the 18th to 24th of June will increase. Thus, we highly recommend to all people interested in attending the Workshop to take this into account, and not to delay your hotel reservations.

Regards,

Josep Armengol
